Shri P Rajeeve
Chairman

Dear Shareholders,

I am extremely happy to inform you all about the good performance of your Company, with the ever highest turnover. The Company could reach a top line of ₹81.16 Crore, an increase of 37% growth in income. Similarly, the ever best profit posted by INKEL for the FY 2022-23 is ₹12.88 Crore as against a profit of ₹1.16 Crore last fiscal, revealing a growth of 1007% in percentage points. This was made possible as result of a good implementation protocol and close monitoring of the projects.

The Project Management Consultancy executed on behalf of Government of Kerala and projects under the Renewable Energy sector both for KSEB and other agencies have contributed to the growth of the turnover of the Company. INKEL has several issues to handle, mainly related to past investments and the Company has made necessary arrangements to tackle these issues effectively. Now the Company is in its phase of a transition and many efforts are being taken to diversify profit earning streams from a predominantly Project Monitoring Consultant to that of a comprehensive infrastructure consultant.

The Company ventured into implementation of Solar Power Projects and is now recognised as the "Government accredited agency" for implementing Renewable Energy concept. The Renewable Energy division has been revamped and strengthened and INKEL was awarded 'Kerala State Renewable Energy Award 2021. by Government of Kerala. The cumulative capacity of solar projects executed by INKEL till date has crossed 15MWp. With an objective of developing infrastructure in Renewable Energy INKEL has incorporated new subsidiary company - INKEL Renewable Energy (P) Ltd. and this company will be implementing the 14 MW wind energy project for KSEB.

In addition to the improvements in the project monitoring, the Company has adopted new operational strategy and identified new areas for widening its operations in infrastructure development in the State. As part of this, INKEL has been planning to explore the possibility of venturing into Logistics, Green Mobility and Wind Energy sectors. We have also inducted fresh talent to propel this business towards financially sustainable growth in the coming years.

I am sure, in the coming years, INKEL will have a credible place not only among the accredited agencies in Kerala but also as one of the best Project Management Consultant. The entire team of Board of Directors, Managing Director and all the employees have a new found enthusiasm and hope, to improve its operations further in the coming years. With an intention to share its earnings with the owners, the Board has recommended a dividend this year. I wish all of you a successful year 2023-24.

INKEL – An Overview

INKEL Limited, a Public Private Partnership (PPP) enterprise of Government of Kerala with significant participation from Non-resident Malayalees and others, has set out a growth trajectory to expand its portfolio investments. INKEL is one of the largest SPV through which Government of Kerala is creating quality infrastructure, notably in health, education, tourism, transport and finance departments. INKEL has emerged as a successful SPV in the assessment of KIIFB for its quality work and timely execution of some of the large projects.

Serving as a vital bridge between the State Government and the private sector, INKEL Limited engages with key players such as public sector banks, institutional investors, and NRI investors. Our mission to channelize substantial private investment and using professional expertise for quality infrastructure development has met with greater degree of success.

Guided by unwavering commitment, INKEL places the highest emphasis on safety and quality in every project

we undertake. Our endeavor to deliver the best to our esteemed clients, leaving an indelible mark on Kerala's landscape of progress and development, is what INKEL has shown in the past. At INKEL, our expertise spans across diverse domains, encompassing holistic Project Management Consultancy (PMC), and construction services in the EPC (Engineering Procurement and Construction) mode within the civil construction industry. Additionally, we excel in the Renewable Energy sector, specializing in Solar and Wind Energy solutions.

Performance YoY

In the fiscal year 2022-2023, INKEL achieved a remarkable milestone, surpassing all previous financial years with its best-ever performance. Despite facing macroeconomic uncertainties, the company recorded an impressive top-line growth of 37%, generating a total income of ₹81.17Cr. The most noteworthy achievement was an astounding 1007% growth in net profit, reaching a historical high of ₹12.88 Cr.

PROJECT MANAGEMENT CONSULTANCY (PMC)

INKEL's Project Management Consultancy (PMC) department is dedicated to offer comprehensive project management services to clients, covering every aspect from concept to commissioning.

As an ISO 9001:2015 certified Project Management Consultancy, we take pride in providing total solutions for Infrastructure Projects. From super-specialty hospitals and roads to bridges, conservation projects, institutional and industrial buildings, our expertise

ensures innovative and cost-efficient solutions, while implementing effective risk management. Our commitment extends to delivering projects that are not only environmentally and socially sustainable but also financially viable. A significant portion of our projects are funded by the esteemed Kerala Infrastructure Fund Board (KIIFB). INKEL receives about 3 to 7% of the project cost (contracted value) as centage fee for the PMC services. This is the largest division within the organization. The activities within this division can be broadly explained as herein below.

The services of PMC Division begin with detailed feasibility studies, engineering designs, and preparation

of concept notes. With their expertise and dedication, the PMC Division crafts Detailed Project Reports and meticulously prepares preliminary and detailed designs. The in-house team and sub-consultancies work together to create architectural, structural, and MEP drawings, leaving no stone unturned in the pursuit of excellence.

Having completed the planning stage, INKEL's PMC division takes on the responsibility of estimation, tendering, contractor selection, and contract awarding. Their meticulous approach ensures that only the best contractors are chosen to bring these projects to life.

With the groundwork laid, it is time for the crucial Project Execution, Monitoring, and Control Stage. The PMC division becomes the guiding force, overseeing the contractors with exceptional contract management. Regular audits and inspections ensure that the projects stay on track, while cost-effectiveness and scope management are prioritized. Quality control and risk mitigation are at the core of their efforts, ensuring that the projects meet the highest standards. Constant communication among all stakeholders guarantees a harmonious collaboration.

As the projects near completion, the Project Close Out Stage comes into play. The PMC division facilitates

the final settlement and closeout with contractors and other stakeholders, ensuring a smooth handover of the asset to the clients. All the documentations are meticulously organized, leaving no loose ends behind. INKEL takes this opportunity for internal assessment, learning valuable lessons for future success.

Beyond the core project management activities, INKEL's PMC division goes above and beyond, assisting with statutory approvals and offering training sessions for in-house capacity building. They play a vital role in the master planning for the National Health Mission (NHM) and conduct numerous training sessions, webinars, and product presentations to keep everyone updated on the latest trends in construction.

INKEL's portfolio of clients ranges from various government departments like health, tourism, transport, education and finance departments to organizations like the National Health Mission, Smart Mission Limited, KSIDC, and KINFRA.

INKEL efficiently manages a diverse portfolio of 177 projects spanning various sectors, with a total project outlay (Administrative Sanction) of ₹4280 Cr. Out of this, INKEL has received Financial Sanction (FS) of ₹2484 Cr from KIIFB for the KIIFB funded projects, paving way for tendering and execution of projects.

Distribution of PMC Projects: Sector Based

RENEWABLE ENERGY DEPARTMENT

The success story of INKEL does not end with Project Management Consultancy division alone. INKEL has ventured into Renewable Energy projects – notably Solar Power Projects across the state and in the state of Karnataka. INKEL is an accredited agency of ANERT for implementing EV Charging Stations. Besides, INKEL has been awarded solar power projects from District Panchayats. As of now, INKEL is the only company that has implemented projects worth 15 MW capacity in Kerala. Indeed, a 11 MW solar project spread across 22 locations was a serious challenge, considering the remote locations and terrains. INKEL

received number of awards from host of agencies of which, the prestigious State Award - Kerala State Renewable Energy Award in 2022 presented by the Hon. Chief Minister Shri. Pinarayi Vijayan is an outstanding achievement considering the short time in which this award was won by INKEL. The mission is clear – to develop cost-effective and energy-efficient photovoltaic (PV) solar plants of any scale, conquering any terrain with ease. The RE division has expert designers and efficient execution team. Indeed, the RE division immensely contributes to the topline of the company. The range of services provided by INKEL is shown as under:

INKEL's systematic and integrated approach to project execution sets them apart, enabling the flawless delivery of large-scale solar power projects, time and again. They prove their prowess, managing solar energy projects of varying scales across utility sectors, rooftops, and even special projects like floating solar plants, Battery Energy Storage Systems (BESS), and mini and micro-grids.

INKEL's dedication did not go unnoticed – we are the government-accredited agency for installing and maintaining Solar Power Plants in The Local Self-Governing Department and The Department of Co-Operation. INKEL is now pursuing accreditation for

Electric Vehicle (EV) Charging stations, aiming to accelerate the adoption of sustainable transportation.

In a land known for its natural beauty, INKEL stands as the shining example of solar prowess, holding the highest rating of SP1B for Solar System Integrators in Kerala. INKEL's vision reached beyond the borders of Kerala. INKEL ventures into the neighboring state of Karnataka, taking up the challenge of executing Hybrid Rooftop Solar Systems for The Rural Development and Panchayath Raj Department across eight districts. The dedication knows no bounds as INKEL's RE completes over 500 installations, with 250 more sites set to be accomplished soon.

With each solar project executed, INKEL's cumulative capacity soared, crossing an impressive 15.649 MWp. Yet, the RE department didn't rest on their laurels; they had even more ambitious projects in the pipeline, with 15MWp+ projects under execution.

INKEL's journey is one of resilience, ingenuity, and

an unwavering commitment to the environment. The RE department ventures into wind farm development and EV charging station installations, broadening its horizons and furthering its impact on sustainability. Their future plans include large-scale BESS (Battery Energy Storage Systems) development, paving the way for a greener and more energy-efficient future.

EPC OPERATIONS

Backed by its dedicated in-house PMC and Engineering & Design Team, INKEL takes immense pride in its track record of successfully completing large-scale building projects in the EPC mode. With a comprehensive expertise encompassing the entire EPC process, our services span Overall Basic and Conceptual Engineering, Detailed Engineering, Life-

Cycle Solutions, Project Management, Procurement, Logistics, Installation, Testing, Commissioning, and Initial Start-Up, catering to a diverse array of projects.

The INKEL snapshot goes beyond achievements and accolades; it is a compelling tale of dedication, passion, and an unwavering commitment to creating a sustainable and brighter future for all.

Opinion

We have audited the standalone financial statements of INKEL Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2023 and the Statement of Profit and Loss, and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 2.7.2 as per which, The company has taken steps to identify the suppliers who qualify under the definition of micro and small enterprises, as defined under the Micro, Small and Medium Enterprises Development Act 2006 and the same is in progress. Based on available information, there are no balances outstanding as payable to such suppliers as at the year end. In the opinion of the management there are no amounts paid/payable

towards interest under the said statute. The steps followed needs to be improved by the Company.

We draw attention to Note 2.9.1 as per which, The Board meeting dated 10-11-2022 an incentive scheme for employees were considered and approved. A threshold limit of turnover of ₹75 crores and net profit ₹7.5 crores is to be achieved before the scheme can be eligible. With ₹75 crores as turnover and ₹7.5 cores net profit every employee will be eligible for an incentive equal to 30 days of salary, and if the turnover exceeds 75 crores and net profit exceeds 10 crores, incentive will be for 45 days of salary. The management was of the view that the current scheme itself requires a review by the Board to make it as a performance linked incentive scheme. Hence an adhoc provision of ₹34.00 lakhs is provided for the financial year to be finalized after the review of scheme by the Board.

We draw attention to Note 2.12.2 as per which, Inkel Infrastructure Development Projects Limited (IIDPL), a 100 % subsidiary of INKEL Ltd had an accumulated loss of ₹13.05 crores as at 31.03.2022, and accordingly the net worth of IIDPL got fully eroded. INKEL Ltd had made full provision for its investment in the subsidiary considering the eroded net worth. The Board of Directors of INKEL Ltd vide its meeting dt 29.06.2022 has decided to increase its share capital in IIDPL by conversion of advances made to IIDPL to the extent of ₹14 Crores, in order to revive IIDPL and make it financially healthy and credible with a positive net worth and a good equity base. The IIDPL has made rights issue of ₹14 crores to INKEL only on 16-06-2023. Even though the net worth position improved after issue of shares, net worth remains negative due to losses incurred for the financial year 22-23, hence the provision made is retained in the books.

We draw attention to Note 2.12.4 as per which, Since the authorized Signatory representing Seguro Foundations and Structures Private Limited is not available, the financial statements of Seguro- INKEL consortium LLP has not been drawn and audited. The profit/loss of the LLP is not considered in the preparation of the financial statements.

We draw attention to Note 2.32.1 of the standalone financial statements, as per which, INKEL Limited (INKEL) had acquired 65% of shares in the company Seguro Foundations and Structures Private Limited (SFS) on 1st December 2017 and made an investment of ₹1381.50 lakh. SFS has been functioning as a subsidiary of INKEL from such date. During the financial year 2018-19 certain instances of non-adherence with proper corporate governance

systems, as also incompleteness/deficiencies in the financial information furnished by the former management of SFS were noticed, which were prima facie considered material. The committee constituted by the Board of INKEL has found out serious lapses, irregularities, diversion of funds and misappropriations and recommended the Board to consider legal remedies against the erstwhile management of SFS. The forensic audit simultaneously conducted by the management of INKEL by engaging a firm of chartered accountants had also reported that the Managing Director of SFS has perpetrated frauds. Having regard to the report that 'SFS's shares were overvalued through misrepresenting its financial positions and the investment made by INKEL was siphoned away by the managing director of SFS', the Board of INKEL has declared the transaction of investment in SFS as a fraud on INKEL by SFS.

We draw attention to Note 2.32.2 of the standalone financial statements, as per which,

(i) Based on unaudited financial statements as on 31/03/2019 provided by SFS and the provisional financial statements of SFS complied for the year ended 31/03/2020, the net worth of SFS has fully eroded. Further no financial statements of SFS was compiled for the year 31/03/2021 In view of the matters of fraud and erosion of share value reported above, there is permanent diminution in the value of investments in the subsidiary company, SFS as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision made on FY 2019-20 has been retained for the investment of Rs.1381.50 lakh by INKEL in SFS as on 31.03.2023.

(ii) Based on audited financial statements as on 31/03/2023 provided by INKEL Infrastructure Development Projects Limited, the net worth has fully eroded. In view of the erosion in share value reported above, there is permanent diminution in the value of investments in the subsidiary company, IIDPL as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision has been retained for the investment of Rs.1.00 lakh by INKEL in INKEL Infrastructure Development Projects Limited as on 31.03.2023.

We draw attention to Note 2.32.3 of the standalone financial statements, as per which, based on valuation of the assets of the subsidiary companies INKES Trade Centre Limited, as well as of the associate company MIV Logistics Private Limited (which includes investments in equity shares of its associate company Seabird Seaplane Private Limited which has not commenced any commercial operations and loans and advances extended to the said company as

stated therein) carried out by independent chartered engineers and plans for improved future operations of such companies, the management is of the opinion that there is no permanent diminution in value of investments in the said subsidiary/associate companies to be recognized at this stage as per AS-13 (Accounting for Investments).

We draw attention to Note 2.35.5 of the standalone financial statements as per which, There are Certain Legal cases faced by the Company as a party in cases related to its subsidiary Seguro Foundations and Structures Private Limited and Inkel Consortium LLP wherein the company is a majority partner, for which the outcome and potential financial impact cannot be reasonably estimated. Though the company is not the primary accused, it is one of the defendants in certain legal cases with claims for the recovery of money pending before various forums. Management hold the view that those claims are not tenable against the Company; however, due to the inherent uncertainties involved, the contingent liability cannot be quantified at this time

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report including Annexure to the Director's Report in the Annual Report of the Company for the financial year 2022-23, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other Information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements reporting and their operating effectiveness. Our audit of internal financial controls system with reference to financial statements reporting included obtaining an understanding of internal financial controls system with reference to financial statements reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements reporting.

Meaning of Internal Financial Controls with reference to Financial Statements reporting

A company’s internal financial controls system with reference to financial statements reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls system with reference to financial statements reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements reporting

Because of the inherent limitations of internal financial controls system with reference to financial statements reporting, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls system with reference to financial statements reporting to future periods are subject to the risk that the internal financial controls system with reference to financial statements reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements reporting and such internal financial controls system with reference to financial statements reporting were

operating effectively as at 31st March, 2023, based on the internal control with reference to financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE - 2.32

2.32.1 Fraud on INKEL:

INKEL Limited (INKEL) had acquired 65% of shares in the company Seguro Foundations and Structures Private Limited (SFS) on 1st December 2017 and made an investment of ₹1381.50 lakh. SFS has been functioning as a subsidiary of INKEL from such date. During the financial year 2018-19 certain instances of non-adherence with proper corporate governance systems, as also incompleteness/deficiencies in the financial information furnished by the former management of SFS were noticed, which were prima facie considered material. The committee constituted by the Board of INKEL has found out serious lapses, irregularities, diversion of funds and misappropriations including "Overvaluation of Seguro's shares for investment by INKEL, Practice of showing inflated unbilled revenue (work in progress), Non Utilisation of Investment by INKEL on any projects, Irregularities in financial transactions and diversion of funds, Absence of transparency in related party transactions, Statutory non compliances and malpractices to hide the same, availing higher working capital facility from bank by submitting inflated receivable" etc. and recommended the Board to consider legal remedies against the erstwhile management of SFS. The forensic audit simultaneously conducted by the management of INKEL by engaging a firm of chartered accountants had also reported that the Managing Director of SFS has perpetrated frauds by "siphoning funds through bogus creditors, fictitious expense, misappropriation/ diversion of funds, overstatement of unbilled revenue, conflicting interest, non-reported related party transactions" etc. Based on the aforesaid reports INKEL has initiated legal actions against SFS and its erstwhile management. Having regard to the report that SFS's shares were overvalued through misrepresenting its financial positions and the investment made by INKEL was siphoned away by the managing director of SFS, the Board of INKEL has declared the transaction of investment in SFS as a fraud on INKEL by SFS.

2.32.2 Impairment of value of investment:

- Based on unaudited financial statements as on 31/03/2019 provided by SFS and the provisional financial statements of SFS compiled for the year ended 31/03/2020, the net worth of SFS has fully eroded. Further no financial statements of SFS was compiled for the years 31/03/2021, 31/03/2022 and 31/03/2023. In view of the matters of fraud and erosion of share value reported above, there is permanent diminution in the value of investments in the subsidiary company, SFS as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision made on FY 2019-20 has been retained for the investment of ₹ 1381.50 lakh by INKEL in SFS as on 31.03.2023.
- Based on audited financial statements as on 31/03/2023 provided by INKEL Infrastructure Development Projects Limited, the net worth has fully eroded. In view of the erosion in share value reported above, there is permanent diminution in the value of investments in the subsidiary company, IIDPL as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision has been retained for the investment of ₹1.00 lakh by INKEL in INKEL Infrastructure Development Projects Limited as on 31.03.2023.

2.32.3 Investment in other subsidiaries and associates:

- a) As per audited financial statements of the following subsidiary companies and an associate of INKEL, the net worth of these companies as at 31st March 2023 continues to be eroded, although not turned negative, which has resulted in value of the shares as per books of the respective companies having values lower than the cost of investments in equity shares are shown hereunder:

(₹ in Lakh)

Name of Company / Relationship	Carrying Cost of Investment as per books of INKEL		Share of Net Asset Value as per books of the respective Company	
	As at 31 st March 2023	As at 31 st March 2022	As at 31 st March 2023	As at 31 st March 2022
1) INKES Trade Centre Limited (INKES) - Subsidiary	370.00	370.00	304.63	304.63
2) MIV Logistics Private Limited (MIV) - Associates	1182.97	1182.97	303.80	303.80

- b) Further, as per the financial statements of MIV ((a)(2) referred to above) as at 31st March 2023, the said company is holding investments in equity shares amounting to ₹269.13 lakh in its associate company viz. Seabird Seaplane Private Limited (Seabird) and has outstanding loans and advances given by MIV to the said company amounting to ₹301.84 lakh (excluding interest not charged in accounts). Seabird has not commenced any commercial operations since its inception in 2012 and insolvency resolution process has been initiated against that company before National Company Law Tribunal (NCLT). Pending resolution of the said proceedings and in the absence of a proper valuation of the assets of Seabird, MIV has not recognised any loss in the carrying cost of investments or loans receivable in its books, which if fully adjusted/provided for, would have a further impact of the Net Worth of MIV becoming lower to the extent of ₹570.98 lakh, with consequential reduction in the net asset value of shares of MIV.
- c) Based on the valuation of the assets (including lease hold land) of the above subsidiaries and associate companies carried out by independent chartered engineers engaged by the respective companies, and improved plans for future operations as approved by the Board of INKEL, the management is of the opinion that there is no permanent diminution in value of such investments to be adjusted/ provided for at this stage in the accounts of INKEL at this stage as at 31st March 2023, as per AS-13 (Accounting for Investments).

INDEPENDENT AUDITOR'S REPORT

To the Members of INKEL LIMITED,

Report on the Audit of the Consolidated Financial Statements

Disclaimer of Opinion

We were engaged to audit the accompanying Consolidated Financial Statements of INKEL Limited (hereinafter referred to as the "Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2023, the Consolidated Statement of Profit and Loss, and Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as the "Consolidated Financial Statements").

We do not express an opinion on the aforesaid Consolidated Financial Statements of the group and its associates. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements.

Basis for Disclaimer of Opinion

As stated in Note No 2.39.1& Note No 2.39.2 to the consolidated financial statements of INKEL Limited (INKEL), certain instances of non-adherence with proper corporate governance systems, as also incompleteness/ deficiencies in the financial information furnished by the subsidiary company Seguro Foundations and Structures Private Limited (SFS) have been identified during financial year 2018-19, which are prima facie considered material and are being independently examined as stated therein. The committee appointed by INKEL and the forensic audit simultaneously conducted by INKEL had reported that 'SFS's shares were overvalued through misrepresenting its financial positions and the investment made by INKEL was siphoned away by the managing director of SFS', the Board of INKEL has declared the transaction of investment in SFS as a fraud on INKEL by SFS. The legal actions initiated by INKEL have not reached finality. Pending resolution of the matter the financial statement for the year ended 31.03.2020 have not been drawn up or approved by the Board of Directors of the said company. Further, no financial statements of SFS were compiled for the years 31/03/2021, 31/03/2022 and 31/03/2023. Due to the reason the financial statements of SFS was not consolidated for the year ended 31.03.2023.

As stated in Note No 2.14.3 to the consolidated financial statements of INKEL Limited (INKEL), Since the

authorised Signatory representing Seguro Foundations and Structures Private Limited is not available, the financial statements of Seguro-INKEL consortium LLP has not been drawn and audited. The profit/loss of the LLP is not considered in the preparation of the financial statements.

The auditors of M/s. MIV Logistics Private Limited, in its consolidated audit report where in the accounts are consolidated with unaudited financial statements of its associate M/s. Sea Bird Seaplane Private Limited has made the following qualifications:

- Investment by the Company in the equity shares of M/s. Sea Bird Sea Plane Private Limited, its associate amounting to ₹2.70 Crores, is valued at cost without any impairment loss. The associate company has not commenced commercial operations since 2nd November 2012, being its date of incorporation. We also understand that its creditors have approached the National Company Law Tribunal (NCLT) for liquidation of the associate company. On the basis of these facts, it is construed that the associate company is no longer a 'Going Concern' and hence the assets of the associate company are to be valued at the net realizable value (NRV). In the absence of any audited financial statements or the liquidation report, impairment in the value of this investment of the Company cannot be ascertained by us. The Company had also advanced a loan of ₹3.02 Crores to M/s. Sea Bird Sea Plane Private Limited for which no repayment of principal is seen. The Company has not made any provision for the realizability of the loan advanced. Further the Company has not accounted for the interest due on the said loan. Therefore, since the workout for impairment of the equity investment has not been provided for audit, we are not in a position to comment on the impact of such impairment or realizability on the Consolidated Financial Statements in this regard.

Due to the aforesaid issues of non-consolidation of financial statements of SFS for the financial years 2020-21, 2021-22 and 2022-23 and the reason that financial statements of SFS for the financial years 2018-19 and 2019-20 are unaudited and the impact of further adjustments, if any, that may be necessary in the financial statements of SFS in relation to the financial year ended 31st March 2023, as well as in relation to the preceding year ended 31st March 2019, 31st March 2020, 31st March 2021 and 31st March 2022 which are being subject to independent review as stated above, cannot be ascertained at this stage and hence has not been considered in these Consolidated Financial Statements. Further the financial statements of Seguro INKEL consortium

LLP has not been consolidated for the financial year 2022-23 and the impact on the share of loss in the Consolidated Financial Statements of M/s. MIV Logistics Private Limited regarding the impact of the qualification of the statutory auditors in the consolidated financial statements of the associate company.

We are unable to obtain sufficient appropriate audit evidence on which to base our opinion regarding the group's and its associate's share of total assets, net assets, total revenues, net loss and net cash inflows in respect of the Subsidiaries and Associate, Seguro Foundations and Structures Private Limited, Seguro-INKEL Consortium LLP and the impact of share of loss of M/s. MIV Logistics Private Limited; as well as regarding the impact of further changes, if any, that may be necessary based on the outcome of the independent reviews as stated above, the possible effects of which on the consolidated financial statements could be both material and pervasive and forms the basis for the Disclaimer of Opinion.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in Board's Report including Annexures thereon but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial

position, consolidated financial performance and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our responsibility is to conduct an audit of the Group's consolidated financial statements in accordance with Standards on Auditing and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion paragraph of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements.

We are independent of the Group in accordance with the Code of Ethics and provisions of the Companies Act, 2013 that are relevant to our audit of the consolidated financial statements in India under the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Companies act, 2013.

Emphasis of Matter

We draw attention to Note 2.39.1 of the consolidated financial statements, as per which, INKEL Limited (INKEL) had acquired 65% of shares in the company Seguro Foundations and Structures Private Limited (SFS) on 1st December 2017 and made an investment of ₹1381.50 lakh. SFS has been functioning as a subsidiary of INKEL from such date. During the financial year 2018-19 certain instances of non-adherence with proper corporate governance systems, as also incompleteness/deficiencies in the financial information furnished by the former management of SFS were noticed, which were prima facie considered material. The committee constituted by the Board of INKEL and has found out serious lapses, irregularities, diversion of funds and misappropriations and recommended the Board to consider legal remedies against the erstwhile management of SFS. The forensic audit simultaneously conducted by the management of INKEL by engaging a firm of chartered accountants had also reported that the Managing Director of SFS has perpetrated frauds. Having regard to the report that 'SFS's shares were overvalued through misrepresenting its financial positions and the investment made by INKEL was siphoned away by the managing director of SFS', the Board of INKEL has declared the transaction of investment in SFS as a fraud on INKEL by SFS.

We draw attention to Note No.2.39.2 of the consolidated financial statements, as per which,

- (i) Based on the unaudited financial statements as on 31.03.2019 provided by SFS and the provisional financial statements of SFS complied for the year ended 31.03.2020, the net worth of SFS has fully eroded. Further no financial statements of SFS was complied for the year 31/03/2021, 31/03/2022 and 31/03/2023, in view of the matters of fraud and erosion of share value, there is permanent diminution in the value of investments in the subsidiary company, SFS as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision made on FY 2019-20 has been retained for the investment of ₹1381.50 lakh by INKEL in SFS as on 31.03.2023 in its standalone financial statement.
- (ii) Based on audited financial statements as on 31/03/2023 provided by INKEL Infrastructure Development Projects Limited (IIDPL), the net worth has fully eroded. In view of the erosion in share value reported above, there is permanent diminution in the value of investments in the subsidiary company, IIDPL as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision has been retained for the investment of Rs 1.00 lakh by INKEL in IIDPL as on 31.03.2023 in its standalone financial statement.

We draw attention to Note No.2.39.3 to the Consolidated Financial Statements which states that based on valuation of the assets of the subsidiary company, INKES Trade Centre Limited, as well as of the associate company, MIV Logistics Private Limited (which includes investments in equity shares in and loans and advances granted to an associate company of MIV Logistics Private Limited, viz. Seabird Seaplane Private Limited (Seabird) which has not commenced any commercial operations since its inception in 2012 and insolvency resolution process has been initiated before National Company Law Tribunal), carried out by independent chartered engineers engaged by the respective companies and plans for improved future operations as approved by the Board of INKEL Ltd., the management is of the opinion that although there is some erosion in the net worth of these companies as per financial statements, there is no impairment in the carrying value of the Group's share of total assets in these companies to be recognised at this stage.

The auditors of INKEL EKK Ltd have drawn attention to the following notes Without qualifying their opinion,

- The company has used the borrowings from banks and financial institutions for the specific purpose for which it was taken at the balance sheet date except the following loans advanced to the following companies from the FY 2019-20 onwards
 - a) INKEL Limited - ₹4502.00 lakh
 - b) EKK-Infrastructure Limited - ₹1751.00 lakh
- Equity shares for ₹1032.00 lakh held by INKEL Limited and ₹396.00 lakh held by EKK-Infrastructure Limited respectively have been pledged with the State Bank of India as per the terms and conditions of the Facility Agreement dated 16.05.2019.
- During the financial year 2022-23 the company has further advanced an amount of ₹2353.40 lakh to INKEL Limited as Inter-corporate Loan.
- As per the Notification No.15/2022 dated 30th December 2022, annuity fee became a taxable service with effect from 01.01.2023. As a result, statutory dues include GST payable amounting to Rs 316.19 lakh against the invoice no.INKEKK2223/001 to Road Infrastructure Company Kerala Limited (RICK) dated 14.03.2023. The company have not remitted the GST dues to government as it is not recovered from RICK and not provided the interest and delayed payment of GST in the books.

The auditors of INKEL Infrastructure Development Projects Ltd. (IIDPL) have drawn attention to the following, without qualifying their opinion,

- The Company has accumulated loss amounting to ₹1424.59 lakh (Previous Year ₹1305.34 lakh), exceeding share capital and reserves with a negative net worth of ₹1423.59 lakh (Previous Year ₹1304.34 lakh). These conditions indicate the existence of uncertainty which may cast considerable doubt as to the Company's ability to continue as a going concern. The management has represented that the company is a fully owned subsidiary of INKEL Limited and that the impact of accumulated loss and the resultant negative net worth would not have any bearing on the ability to continue as a going concern. Further, as per the information and explanations provided, the company is in the process of enhancing its paid-up capital by the way of right issue of equity shares to its holding company. The management is of the view that the financial statements are to be prepared on going concern basis.
- The balances of Long-term Loans & Advances provided to M/s Calicut Expressway Private Limited (CEPL) as on 31.03.2023 amount to ₹4300.00 lakh. However, this balance differs from the ₹4975.86 lakh reported in the books of M/s CEPL. The difference is attributed to:
 - In the financial year 2021-22, ₹721.85 lakh was written off as bad debts in the books of M/s IIDPL. However, this write off was not duly recorded in the books of M/s CEPL.
 - M/s CEPL has recognized a liability for TDS (Tax Deducted at Source) payable amounting to ₹46.30 lakh. However, this has not been accounted for in the books of IIDPL.
 - Furthermore, an amount of ₹0.32 lakh remains outstanding and un-reconciled between the two sets of books.

The auditors of MIV Logistics Private Limited have drawn attention to the following, without qualifying their opinion,

- Trade Receivables having balances more than 3 years amount to ₹0.34 Crores as on 31st March 2023 of which the top 10 account for ₹0.27 Crores. Neither are there any transactions with these parties during the financial year nor has any balance confirmations been received for the year. The break-up is as below:

Party	Balance as at 31 st March 2023 (₹in Crores)
M&B Associates	0.07
Jetz Global Logistics	0.06
Tenny Jose And Associates Limited	0.03

Omega Agencies	0.03
Omsfree International Private Limited	0.02
Bon Freight	0.02
Blue Axis Shipping	0.01
Berrio Logistics India Private Limited	0.01
Flyjac Logistics Pvt. Ltd. (CSL Limited)	0.01
C Exim Logistics	0.01
Total	0.27

No provision has been made in respect of the above balances by the Company.

For the reasons stated in the Basis for Disclaimer of Opinion section of our report, we have not expressed an opinion on the aforesaid consolidated financial statements.

			31-03-2023	31-03-2022
INKEL KSIDC Projects Limited	INKID	Subsidiary Company	74%	74%
INKES Trade Centre Limited	INKES	Subsidiary Company	74%	74%
INKEL Infrastructure Development Projects Limited	IIDPL	Subsidiary Company (w.e.f 27-10-2018)	100%	100%

The consolidated financial statements have been prepared on the following basis:

- i. The financial statements / financial information of the subsidiaries and associate company used in the consolidation are drawn up to the same reporting date as that of the Company, i.e., 31 March, 2023.

- iv. The difference between the cost of investment in the subsidiary company and the net assets at the time of acquisition of shares in the

subsidiary company is recognised in the Consolidated Financial Statements as Goodwill or Capital Reserve, as the case may be and where two or more investments are made over a period of time, Goodwill/Capital Reserve is calculated on a step by step basis.

- v. Minority interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.
- vi. NOTE - 2.39

2.39.1 Fraud on INKEL:

INKEL Limited (INKEL) had acquired 65% of shares in the company Seguro Foundations and Structures Private Limited (SFS) on 1st December 2017 and made an investment of ₹1381.50 lakh. SFS has been functioning as a subsidiary of INKEL from such date. During the financial year 2018-19 certain instances of non-adherence with proper corporate governance systems, as also incompleteness/deficiencies in the financial information furnished by the former management of SFS were noticed, which were prima facie considered material.

The committee constituted by the Board of INKEL has found out serious lapses, irregularities, diversion of funds and misappropriations including “Overvaluation of Seguro’s shares for investment by INKEL, Practice of showing inflated unbilled revenue (work in progress), Non utilisation of Investment by INKEL on any projects, Irregularities in financial transactions and diversion of funds, Absence of transparency in related party transactions, Statutory non compliances and malpractices to hide the same, availing higher working capital facility from bank by submitting inflated receivable” etc. and recommended the Board to consider legal remedies against the erstwhile management of SFS. The forensic audit simultaneously conducted by the management of INKEL by engaging a firm of chartered accountants had also reported that the Managing Director of SFS has perpetrated frauds by “siphoning funds through bogus creditors, fictitious expense, misappropriation/ diversion of funds, overstatement of unbilled revenue, conflicting interest, non-reported related party transactions” etc. Based on the aforesaid reports INKEL has initiated legal actions against SFS and its erstwhile management. Having regard to the report that SFS’s shares were overvalued through misrepresenting its financial positions and the investment made by INKEL was siphoned away by the managing director of SFS, the Board of INKEL has declared the transaction of investment in SFS as a fraud on INKEL by SFS.

2.39.2 Impairment of value of investment:

- i) Based on unaudited financial statements as on 31/03/2019 provided by SFS and the provisional financial statements of SFS compiled for the year ended 31/03/2020, the net worth of SFS has fully eroded. Further no financial statements of SFS was compiled for the years 31/03/2021, 31/03/2022 and 31/03/2023. In view of the matters of fraud and erosion of share value reported above, there is permanent diminution in the value of investments in the subsidiary company, SFS as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision made on FY 2019-20 has been retained for the investment of ₹ 1381.50 lakh by INKEL in SFS as on 31.03.2023.
- ii) Based on audited financial statements as on 31/03/2023 provided by INKEL Infrastructure Development Projects Limited, the net worth has fully eroded. In view of the erosion in share value reported above, there is permanent diminution in the value of investments in the subsidiary company, IIDPL as per AS-13 (Accounting for Investments) and recoverability of the investment seems to be remote. Hence full provision has been retained for the investment of ₹1.00 lakh by INKEL in INKEL Infrastructure Development Projects Limited as on 31.03.2023.

2.39.3 Investment in other subsidiaries and associates:

- a) As per audited financial statements of the following subsidiary companies and an associate of INKEL, the net worth of these companies as at 31st March 2023 continues to be eroded, although not turned negative, which has resulted in value of the shares as per books of the respective companies having values lower than the cost of investments in equity shares are shown hereunder:

(₹ in Lakh)

Name of Company / Relationship	Carrying Cost of Investment as per books of INKEL		Share of Net Asset Value as per books of the respective Company	
	As at 31 st March 2023	As at 31 st March 2022	As at 31 st March 2023	As at 31 st March 2022

2) MIV Logistics Private Limited (MIV)/ Associates	1182.97	1182.97	303.80	303.80

- b) Further, as per the financial statements of MIV ((a)(2) referred to above) as at 31st March 2023, the said company is holding investments in equity shares amounting to ₹269.13 lakh in its associate company viz. Seabird Seaplane Private Limited (Seabird) and has outstanding loans and advances given by MIV to the said company amounting to ₹301.84 lakh (excluding interest not charged in accounts). Seabird has not commenced any commercial operations since its inception in 2012 and insolvency resolution process has been initiated against that company before National Company Law Tribunal (NCLT). Pending resolution of the said proceedings and in the absence of a proper valuation of the assets of Seabird, MIV has not recognised any loss in the carrying cost of investments or loans receivable in its books, which if fully adjusted/provided for, would have a further impact of the Net Worth of MIV becoming lower to the extent of ₹570.98 lakh, with consequential reduction in the net asset value of shares of MIV.

- c) Based on the valuation of the assets (including lease hold land) of the above subsidiaries and associate companies carried out by independent chartered engineers engaged by the respective companies, and improved plans for future operations as approved by the Board of INKEL, the management is of the opinion that there is no permanent diminution in value of such investments to be adjusted/ provided for at this stage in the accounts of INKEL at this stage as at 31st March 2023, as per AS-13 (Accounting for Investments).
